It provides information on how to access the catalogue, how to register, update your profile, and apply for a new or renewed EU Ecolabel . This site uses cookies. By using the site, you consent to the use of cookies. ECAT could not access your browser Cookies settings, please refer to your browser documentation for further details. The ECAT catalogue can be accessed from anywhere in the world. Click here for the ECAT user manual. User Manual for ECAT An online tool, allows you to manage the EU Ecolabel Catalogue and generates licence and registration data for new and renewed EU Ecolabels. You need to have a free ECAT account to use the ECAT catalogue and you are not allowed to request new or renew licences in the catalogue without having a valid registration data. After registering, you can log in by clicking on your name at the top of the page. ECAT Catalogue Using the ECAT Catalogue To access the ECAT Catalogue (ECAT Admin), log in using your ECAT username and password. If you are a licence holder and want to renew your existing licences, then enter the valid licence data for the existing licences. If you are a new applicant and want to register for a new licence then enter the licence data from your initial application form. Your initial application will be processed within 48 hours of submission. If your licence data is not complete, or if you have submitted the wrong data, you will be notified by ECAT. If you have answered the questions correctly, then your licence will be automatically renewed for the next applicable licensing period. If you want to change your username, password, email address or your household, you can do so by logging into your account. You can log into your account by clicking on the Account menu button at the top of the page. If you have forgotten your username, then you can retrieve it by clicking on the recovery link in the Account menu. Note: Your household name and address will not be displayed in the catalogue. Therefore, if you want to register for a new EU Ecolabel, you must also provide your household name and address. You can change your household name and address by logging into your account.
